

Dear Commissioners:

I am writing regarding the National Association of Broadcasters (NAB) petition 04-160.

I respectfully urge you to reject this petition. I subscribe to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Once again, please reject the NAB's petition 04-160 and support XM's ability to provide the kind of programming that I want deserve.

Sincerely,
Paul Masse
